[SYNTHETIC DEMO] APEX FELLOWSHIP & INNOVATION GRANT 2026

Official Application Guidelines & Eligibility Manual

Notice Ref: AFG-2026-V1.0 | Issued by the Global Education Directorate

---

1.0 PROGRAM PURPOSE & ELIGIBILITY CRITERIA

The Apex Fellowship Program offers merit-based financial support and mentorship to emerging technologists and researchers. Applicants must be currently enrolled full-time in an accredited undergraduate degree program in science, engineering, or mathematics. Candidates shall maintain a minimum cumulative grade point average (GPA) of 3.2 on a 4.0 scale (or equivalent 80% mark). Applicants must submit proof of active university enrollment issued within the last 60 days.

Important Exception: Final-year undergraduate students who have completed all coursework but have not yet received their final diploma are eligible to apply, provided they furnish an official provisional degree clearance letter from their dean.

2.0 IMPORTANT DATES & TIMELINE

Application registration opens on August 15, 2026 at 9:00 AM EST. The preliminary document review period will commence on September 20, 2026. The final submission deadline is October 15, 2026 at 11:59 PM EST. No late submissions or supplemental documents will be accepted after this cutoff.

Application Fee: Applicants must pay a non-refundable application fee of $50 USD through the payment gateway before submission.

3.0 MANDATORY VS. OPTIONAL DOCUMENTS

All application dossiers must contain certified documentation. Review the checklist below carefully. Incomplete dossiers will be rejected during technical triage without substantive evaluation.

Document Name	Format & Specs	Requirement Status
Official Academic Transcript	PDF format, signed and stamped by Registrar	Mandatory
Government-Issued Photo ID	Passport or National Identity Card (Color scan)	Mandatory
Statement of Purpose (SOP)	Maximum 1,000 words, 12pt font, double-spaced	Mandatory
Letters of Recommendation (2)	Direct upload by academic mentors on official letterhead	Mandatory
Project Portfolio / GitHub Link	Public URL or compressed ZIP under 10MB	Optional / Recommended
Standardized Test Scores (GRE/GATE)	Official score report within last 2 years	Optional

4.0 APPLICATION COMPLETION PROCEDURES

Candidates shall complete all eight sections of the online application portal. Applicants must verify their personal contact details and permanent address. The Statement of Purpose must explicitly address the candidate's proposed research impact, technical milestones, and societal relevance. Candidates are encouraged to attach a portfolio highlighting previous open-source software contributions.

5.0 SUBMISSION INSTRUCTIONS & DISCREPANCY DISCLOSURE

Applicants must submit their finalized application through the official Apex Portal. Upon submission, candidates shall retain the unique 10-digit application tracking number. Applicants must verify that all uploaded PDF files are readable and corruption-free prior to pressing final submit.

Section 5.3 Extension Clause & Final Cutoff

Due to anticipated server maintenance, the final submission deadline is November 1, 2026 at 5:00 PM EST. All supporting materials and recommendation letters must be received by this extended date.

Fee Exemption Notice: In recognition of global education equity, there is no application fee for any candidate. The $50 fee mentioned previously has been waived for all 2026 applicants.
